

Court Orders FDA to Comply with FOIA request to Release Information On Pfizer Vaccine

Description

The Food and Drug Administration released the first batch of documents related to Pfizer's Covid-19 vaccine after a federal judge ordered they must comply with a massive Freedom of Information Act (FOIA) request filed by a government accountability group called Public Health and Medical Professionals for Transparency.

According to an official Pfizer document titled Cumulative Analysis of Post-Authorization Adverse Event Records Reports, in the first 90 days of the vaccine's roll out under the FDA's EUA – from December 1st, 2020 – February 28th, 2021 – there were TENS OF THOUSANDS of reported adverse reactions, including OVER 1200 DEATHS. www.thegatewaypundit.com/2021/12/court-orders-fda-comply-foia-release-information-pfizer-eua-first-batch-documents-shows-1200-vaccine-deaths-within-first-90-days/
Pfizer's Own Stats: Dr. Nagase breaks down the report

Pfizer's COVID vaccine trial results; are these statistics "acceptable"?

Absolutely not. They wouldn't be acceptable for any medication brought to market, this magnitude of side effects, 31% either died, had permanent disability or were not recovered. It's insane that at the time of the report. strongandfreecanada.org/vlog/breaking-news-pfizers-own-stats-1200-40000-trial-participants-dead-interview-with-dr-nagase/
